

**SEMIPONT™ 5**

## Half Controlled 3-phase Bridge Rectifier

### SKDH 115

Target Data

### Features

- Compact design
- Two screws mounting
- Heat transfer and isolation through direct copper board (low  $R_{th}$ )
- Low resistance in steady-state and high reliability
- High surge currents
- UL -recognized, file no. E 63 532

### Typical Applications

- For DC drives with a fixed direction of rotation
- Controlled field rectifier for DC motors
- Controlled battery charger
